THE FRIENDS of ST.MARY'S

has now ceased to be a fund raising organisation. Over a period of 30 years the "Friends" raised thousands of pounds toward the upkeep and maintenance of the church fabric and building. The remaining funds have been transferred into the church accounts for future use in helping to keep the building in good condition.

We are deeply grateful for all the fund raising achieved over this period, along with all the social events and trips, which have been organised, and all the support - from people within the church family and the village community. Thanks too for the dedication and work from the committee and all those that have held office during this period.
