HELP KEEP THE LIGHTS ON!

The Diocese has now approved the Parochial Church Council's proposals to install new lighting in the nave and chancel. Work should start in mid-August and be finished by the end of the month. The PCC is aware that people have had difficulty in reading hymn books and prayer books and hope that the new lighting will bring a great improvement. A dimming facility is being included so that lights can be dimmed as and when required, or when just a section of the church needs to be lit. Running costs should be a lot lower as the new fittings will be LED rather than the existing halogen.

The cost is estimated at £31,291 and at present we have approximately £7,500 towards this consisting funds from the Friends of St. Mary's, Burton Consolidated Charities and other personal donations. The remainder will have to be funded from investments but grants are still being sought. VAT of around £5,215 should be able to be reclaimed, but this will leave a net figure of approximately £26,000 to be found.

How can you help?

Make a donation

- on your wedding anniversary whether you were married at St. Mary's or not
- on your son or daughter's birthday whether or not they were christened at St. Mary's
- in memory of a loved one

Sponsor a light

- by giving £20 towards the cost of a light fitting

How to donate?

- If you are a tax payer, by using the Gift Aid envelopes provided
- By cheque – payable to The PCC of Tutbury St. Mary's
- by bank transfer : Sort Code: 30-91-47, Account name : St. Mary's Priory Church, please quote "Lights"
- by calling at church on Saturday or Sunday mornings

The PCC hopes that the congregation & visitors will soon see the benefit of new lights. More information on the welcome table – please take a leaflet.
