### **Church Yard**

Following the adverse posts on face book, some very positive suggestions have come out of them. A group of volunteers have said they will tackle an area of the churchyard, which is great. The volunteers already working in the churchyard are doing a fantastic job. The churchyard is a huge area, so any help is very welcome indeed. Thanks to our friends who keep the new church mown, all who "care for a square" and to those who keep the paths leading to the church swept and tidy. If you are able to help in any way, please do get in touch.
